VIII. Government Proceedings No. 21-2—Ml. 193-11-3, dated the 1st July 1912, returning unsanctioned, plans and estimates relating to the improvement of Dévaraj Market.

The Dévaraj Market is in a very insanitary condition and not in keeping with the improvements effected and to be effected. As a place where the public resort largely and where the necessary commodities of a perishable nature have to be purchased, it is but right that the market should be kept in a safe and healthy condition. The Municipality cannot provide the necessary funds; and as such, the improvement of this market can never be accomplished. This forms a legitimate work of the Trust Board. *Vide* Section 15, clause (d) of Sub-Section 2 of the City of Mysore Improvement Regulation.

*Resolved* that a further recommendation be made to Government to reconsider their decision in this matter.

IX. Application from maistri Chikka Siddaiya applying for a loan of Rs. 500 for house-building purposes.

XIII. Application from Venkatasubba Srouti, son of Puttanna Srouti, applying for a housebuilding advance of Rs. 500 to complete his house in Krishnaraj Mohalla.

The Vice-President will inspect and see what work actually remains to be done to complete the work. The question of the amount of the advance will depend upon it.

XIV. Docket No. 932, dated the 27th July 1912, from the Secretary to Government, General and Revenue Departments, forwarding copy of letter No. 9, dated the 15th idem, from the President, City Municipal Council, Mysore, proposing that the cost of acquisition of property No. 699 in Fort, *viz.*, Rs. 150, may be met out of the Trust Funds and requesting that the opinion of the Board may be communicated to Government.
